

## Day trip to Leeds Castle

We will be organising a day trip to Leeds Castle in Kent. With its stunning location on two islands in a magnificent lake, it has often been called "the loveliest castle in the world". There are 500 acres of landscaped parkland, with a maze, waterfowl, aviaries and a vineyard; as well as cafes for refreshments or snacks.

This castle has served as a Norman stronghold and a royal residence. Its most famous owner was King Henry VIII, who transformed it for his first wife, Catherine of Aragon.

Everyone is welcome to join this activity – spending a fun day together, enjoying history and nature, and keeping your body, mind and soul healthy!
