

## Nature walk to Alexandra Palace

We'll set off from Finsbury Park station and walk along the park trails. After enjoying the sweeping views of North London from the top of the hill, we'll stop for an outdoor lunch/picnic (weather permitting), then continue towards the Palace where the walk will end. Spend a fun day with us enjoying nature and keeping healthy!

### Fun facts about Alexandra Palace:

- Affectionately known as "Ally Pally", it's a wonderful 'people's palace' and park that includes the highest point in London.
- It's an iconic concert venue and famous bands who have played here include The Rolling Stones, Pink Floyd, The Who, Queen, Jay-Z and Bjork.
