

# Living in the UK Programme 2023 Series: Workshop 1 UK Tax for Individuals

## About this event

If you have recently moved to the UK and would like to learn more about what tax you might have to pay (in England, Wales and Northern Ireland), this interactive workshop can help you gain a better understanding of:

- Why you may be liable for Income Tax and Capital Gains Tax?
- How personal allowance and tax reliefs work to reduce your tax bill?
- How the changes in the Spring Budget 2023 might affect you?

The presentation material will be in English, whereas the medium of instruction is Cantonese. There will be a Q&A session at the end. You will benefit from this workshop if you would like to figure out if you're paying the right amount of tax and help you to budget.
